

Ledeshi

The Strip Trim NC II 270 is a professional surface-mounted LED luminaire with a visible trim and adjustable power output. Thanks to its clear design, uniform light distribution and the option for dimming and optional sensors, this luminaire is suitable for a wide range of applications in utility and project lighting.

Key features

- Visible trim for a neat ceiling finish
- Durable construction with aluminium housing
- Polycarbonate diffuser for uniform light distribution
- Adjustable power output: 10W / 16W / 22W
- Optional dimming via TRIAC or DALI
- Optional corridor-sensor (0–10–100%)
- Optional integrated emergency lighting
